

154A.13 Temporary permit.

A person who has not been employed as a hearing aid dispenser prior to January 1, 1975, may obtain a temporary permit from the department upon completion of the application accompanied by the written verification of employment from a licensed hearing aid dispenser. The department shall issue a temporary permit for one year which shall not be renewed or reissued. The fee for issuance of the temporary permit shall be set by the board pursuant to section 154A.17. The temporary permit entitles an applicant to engage in the fitting or selection and sale of hearing aids under the supervision of a person holding a valid license.
